

Sunday Night Registration

The first day of camp is usually filled with a lot of excitement, enthusiasm and often times, questions from children and their parents. Unfortunately, having about 200 children and their parents all coming in Monday morning (basically at the same time) to ask their questions and signing in. Usually this tends to be slow and some what confusing and frustrating.

To make everyone's Monday go a lot smoother, we are going to have registration for camp the night before the session your child or children are attending.

SUNDAY NIGHTS **AT BROOKSIDE SCHOOL**

*The location the camp is being held off Winton Road South
from 7 PM - 8 PM*

At registration, the campers will receive their camp t-shirts, soccer ball, and literature for the work of the camp. Parents will fill out any remaining paper work, pay for their child's camp lunch credits for the week, and ask any questions they need to in a more comfortable, less rushed atmosphere.

**Any questions, feel free to call us at
